School Services of Montana

Our *Vision* is a Montana where every school district has the resources, opportunities, and confidence to *Thrive*.

Our Mission

School Services of Montana commits to providing equitable support and services designed to leverage school resources, enhance curriculum and instruction, and offer economically sustainable solutions. Through collaboration with government, public, and local entities, SSoM provides personalized, innovative programs that empower and connect Montana's diverse schools to meet the needs of their students and communities.

School Services of Montana | (406) 247-0284 | PO Box 3193 | Bozeman, MT 59772

Our Services

Professional Learning

- Strategic planning and coaching to align professional learning with your improvement goals
- Custom on-site or virtual professional learning
- Regional professional learning opportunities
- Annual STEM Summer Institute (statewide conference for K-12 educators to boost STEM)

Medicaid Billing

- Secure online Medicaid Billing for school districts and education cooperatives in Montana
- Maximizes Medicaid reimbursements to schools for direct care IEP services
- Ongoing training is provided by our Montana Medicaid billing manager
- Available to all Montana schools and education cooperatives

Infinite Campus Support

- Montana-based, Infinite Campus Certified Support serving over 220 districts
- Collaboration with OPI AIM Unit to facilitate aligning to your needs, functionality, and state reporting
- No additional cost for switching to SSoM for Infinite Campus Support (and continued access to Campus Community and Passport)

Montana Education Curriculum Consortium (MECC)

- Curriculum consortium with 35 member districts
- Increases alignment to standards in curriculum, instruction, and assessment
- Empowers teachers with focusing planning on student-centered learning
- Collaborate with other role- and grade-alike teachers to review and develop curriculum frameworks and assessment resources
- Meets accreditation standards for curriculum and standards
- Add-on to School Services of Montana membership

Food Purchasing Co-op

- Saves thousands of dollars in food costs every year for Montana schools and early childhood learning centers
- Dedicated account executive and one-on-one training is available for how to use and navigate the ordering website
- It's FREE to participate!
- Any Montana school district or early childhood learning center may apply (some restrictions apply and are subject to approval through US Foods' application process)
- Access to savings and deals through Food Coop, like copy paper deals (any district may access these services, regardless of membership status)
